

Simple Ways Managers Can be Better at Hiring and Firing

HR professionals often go through much training in the finer details of hiring and firing. Often, managers do not have this same experience.

We have all heard nightmare hiring and firing stories.

Here are some tips for managers to follow!

1

Be clear and concise, but don't come off cold or uncaring.

Humanize the process.

2

Get additional training.

Career coaches are a great resource to provide guidance for managers.

3

Provide outbound employees with outplacement!

Companies such as GetFive help staff find a silver lining in the experience by providing the tools and resources to discover their passions and quickly land their next job.
